Experience

1. Webcasting for Election Commission of Porbandar

(9th - December - 2017)

I was tasked to live stream the whole room, where voting ballots were placed, to the central control room of the Election Commission and handle any problems during that session.

2. IT Staff in Shri V.J. Modha College of I.T. Porbandar

(From June – 2017 Till Now)

Various exams would be conducted in the College to utilize its Computer Infrastructure. I with others would be the main helping force of our Network Admin, Krunal Madlani. The work usually includes troubleshooting faulty hardware and the Network, if any problem arises. There were numerous examinations in the college, IIBF and RPF were some of them. /
